BESS SOLUTIONS

A Modular Way, To Store Energy!

ABOUT US

DCM Containers (DCM Hyundai Limited) is set up in 1993, The Company began as a joint venture between DSIL India (a part of DCM Shriram Group) and Hyundai Mobis, Korea.

Has a modern, state-of-the-art manufacturing facility located at Faridabad, near New Delhi, India.

An ideal & cost-effective containerized solution with built-in safety features to store and manage renewable energy.

Can be built with UL-94, IP-54 Ratings & IEC/NEMA Certification.

Modular & Stackable design to enable MW and MWh Capacity.

Cost Effective rugged design with suitable internal structure.

Suitable to all environmental conditions; -20°C to +50°C & relative humidity 0-95%
